* Terms and conditions:
 ▪ Valid from 1/5/08 – 30/9/08 ▪ Valid for full priced item only ▪ Valid in Guardian, The Living Pharmacy & Watsons only
 ▪ 1 coupon redemption per item
 ▪ Present coupon upon purchase

Patented Mexoryl® XL and SX

A blend of filters forming an optimal absorption spectrum for UV rays (UVB, short UVA and long UVA).

- Do not directly expose babies or young children to the sun.
- Overexposure to the sun is dangerous.
- Don't stay in the sun for too long even when you are wearing a sun protection product because it will never give you 100% protection.
- Apply the product just before exposure, reapply frequently and generously all over after swimming, sweating or drying off.
- Consult your dermatologist at least once a year in order to check your skin.
